

## Welcome to the City of Lake Mary, Florida

LAKE MARY WAS RANKED #1 IN FLORIDA AND #4 IN THE U.S. AS BEST PLACE TO LIVE  
By CNNMoney.COM.

The city of Lake Mary takes pride in its strong sense of community and its commitment to high standards of quality living. That's part of the reason Lake Mary is one of the fastest growing areas in Central Florida! Located near Interstate 4, along the fast growing high tech business center near Heathrow, Lake Mary offers well planned residential communities, excellent schools, prominent businesses, and a variety of shopping.

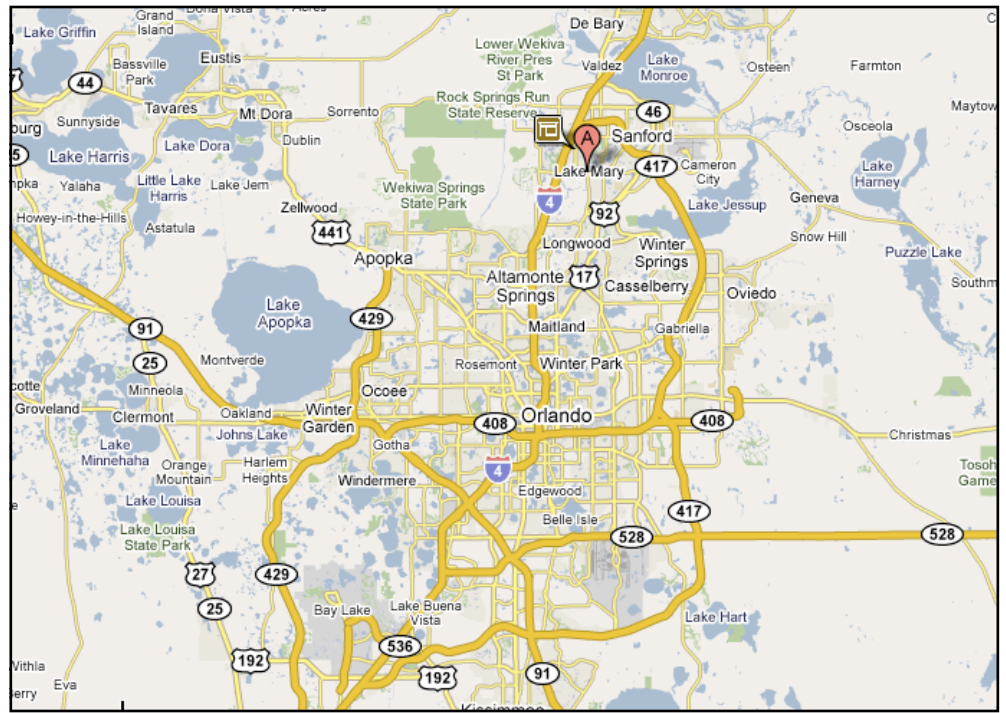

Lake Mary may be only 30 minutes from Orlando and 45 from Daytona Beach, but residents have plenty of shopping, restaurants and events in their own backyard. There are lakes for boating and fishing, and the Timacuan golf course lies in the center of town.

Recreation is one thing, but jobs keep Lake Mary humming.

Lake Mary is a friendly place to live and work and few places are more attractive. The crime rate is one of the lowest in Florida thanks to their pro-active, community based police departments. The parks and recreation facilities are beautifully maintained. Lake Mary has all the conveniences of Orlando without the traffic!
